From the EXECUTIVE DIRECTOR

Lo, children are an heritage of the LORD: And the fruit of the womb is his reward. (Psalm 127:3)

By God's grace, we bid "bye-bye" to the 2022/23 academic session.

This inaugural year has been a great learning experience for all of us at THE ZOE GORDON SCHOOL. We learn, un-learn, and re-learn.

First, I would like to appreciate all our wonderful parents, as well as our distinguish PTA (under the Chairmanship of Mr. Adebola Desalu) for believing in us and entrusting all of these beautiful children to our care. I'm sure they'll all agree with me that the Lord helped us in transforming the children in all areas of their psychomotor development.

We started off with the summer camp in August 2022, thereafter we graduated to a full-blown school. It was a very grand, exciting, educative, informative, and life-changing experience for us, our children, and the parents. We never stopped believing in God and trusting him all the way for we can do all things through Christ that strengthens us. We took everyone on an amazing academic trip through different learning experiences in school and outside the four walls of the classrooms.

To our faithful God, the giver of knowledge, we appreciate our first set of children for their wonderful performances, we saw growth, children who are willing to learn, dedicated staff who put in their best to ensure that the children are properly looked after right from the creche, playgroup, prenursery, nursery, reception and of course our primary school learners. We believe that

our children will do exploit, and the champions, leadership quality that God has bestow upon them will continue to show forth in Jesus' mighty name. Amen.

In all, we bless God for the notable strides we have taken.

I would like to appreciate my darling husband Mr. Tobechukwu Ifeanyi, our Board of Directors, Head of School: Mrs. Goodness Duru, and of course our able teachers, Assistant teachers/caregivers for all their efforts. May your feet never slip in this journey of molding lives, in Jesus' mighty name, Amen. I would also like to say a big "thank you" to our support staff who contribute immensely to the growth and smooth running of the school. God indeed used all of us to achieve greater excellence this session.

Lastly, we appreciate the grace of God upon the life of our amiable, ever-praying Pastor Isaac Adelugba, Dr. Mrs. Chioma Okoye, for their continuous support and ever-dependable encouragement. God bless you!!! Thank you very much for reading.

May God bless you all.

With Love,

Mrs. Shirley Uloma Ifeanyi
Executive Director,
The Zoe Gordon Schools.

THE LAZY MAN

There was a man, named Garfield. He was a man that will never worry about anything. He always begs for money, until one day, he was asked to do a quest that could make him be in a bad condition. He did it, just for money.

Garfield went to a place where trolls, goblins and roaches lived. He was so lazy that he forgot what his quest was because he slept all the time. The roaches, were disturbing on his face and the trolls and Goblins were jumping on his stomach, and he still didn't wake up, so a Goblin punched his face and he woke up and ran to his hiding place, but they found him and trapped him.

The end.

Moral lesson: Never be lazy.

THE THREE NAUGHTY KIDS

One day, three naughty kids were looking for gold in the forest. The oldest saw a small shaft and told the others that there was gold inside. The second kid was not sure about it, but the eldest said that they should not worry.

When they got inside the shaft, they saw a chest. The eldest wanted to open it, but the younger one said that they shouldn't. The eldest didn't listen and opened the

chest. He saw a note in the chest that read "Get out of here!"

They ran to open the door to escape, but it was locked; the youngest threw a magic potion everywhere and they all vanished into thin air.
